No fishing is allowed during this time by any involved party. Arriving late, even with the aid of an official boat, as the towed boat or the towing or rescue boat is still late and all late penalties will apply. No exceptions. LATE PENALTY: Competitors who are not at the official safety check in point as described above at the appointed return time shall be penalized at the rate of one pound per minute to be deducted from the total weight of their catch that day, including any "Big Fish Award". Any competitors more than fifteen (15) minutes late shall lose all credit for that day's catch. There shall be no excuse for tardiness and in no case will a competitor be allowed to make up "lost time." Return time shall be defined as off-plane and plainly visible by the official timekeepers.

Only Largemouth, Smallmouth and Spotted Bass, Red Eye or Shoal Bass will be weighed where permissible by state law. Length and bag limits of eligible fish will be set for each tournament and will be announced at each event.

All fish weighed must be kept in aerated livewells to keep fish alive and as fresh as possible for release. At no time shall a competitor have in possession more than the stated tournament possession limit. Tournament Officials will conduct checks for violations of this provision. In the event a competitor has in their possession more than the stated limit, officials shall cull, starting with the largest fish first, down to the stated limit.

Fish will be measured by a tournament official with fish's mouth closed and longest straight line. Only fish which measure the official length(s) shall be weighed-in. Any fish presented for weigh-in which fails to measure the official length limits shall accrue penalties at the rate of one pound for each non-legal. Once a competitor's catch has been presented to tournament officials, that team may not alter, nor add to their catch or return to their boat until their catch has been weighed and recorded.

The fee will be returned if the protest is found valid. Tournament officials, in their sole discretion, reserve the right to consider rule violations reported or not and discovered at any time for any reason, by any persons, before or after a tournament has ended and assess penalties for any past or future event including denying entry to compete. Following interviews with concerned parties, a ruling will be made. In the event rules infractions occurred a penalty of daily and/or tournament weight may be applied, and cash, prizes and awards must be returned if so requested. If a protest is found valid, the disqualified party must pay any investigative costs.

Each competitor or participant agrees by their signature on the entry forms and by their participation in the tournament, to submit to a polygraph or voice stress analyzer test (I.E. a truth verification test) should they be asked to for any reason and to abide by its conclusion. Tournament officials shall have sole discretion to select scope, when, where and who shall administer such an exam.
